

## UPDATED LIST OF HOTELS WITH PAUSED OPERATIONS March 28, 2020.

Dear Business partners and clients,

The public health situation that we are currently facing due to the Coronavirus (COVID-19) pandemic is changing by the minute. We are taking every possible measure to ensure the health and safety of our entire Posadas family.

Thanks in large part to the trust placed in us by our guests, employees, and above all by our business partners and clients, we will be able to get through this crisis.
